Preserve Your Memories, Share Your Legacy

2022 is here and the first month nearing the end.

Did you set some amazing resolutions, reachable goals, or write a never ending to-do list?

How are they going? Did you throw them out already, life changed just in the first month, or checking them off like a rockstar?

However you are facing your 2022, we have just begun and we have the whole year ahead, so get out your resolutions, your goals, your to-do list and move forward with them like you mean it!

Please share your Photos-Genealogy Goals for 2022 so Memorable Legacy can help you.

Client Testimonial:

“Christie took my disorganized portfolio and turned it into the beautiful well-organized representation of my talents that it should be. My clients can easily see the breadth of my abilities and I can add to my portfolio on my own as Christie explained the process and created a user-friendly product for me!”
