

Memorable Legacy

Preserve Your Memories, Share Your Legacy

SUMMER is here and it's HOT!

Are you enjoying your SUMMER?

It sure is a warm one, but after all that it is SUMMER and SUMMERS are HOT!

Stay cool and refreshed while working on your summer photo projects. Memorable Legacy has some great summer projects going on: scrapbook albums, genealogy research, and digital photo organizing projects in between the baseball games, fishing, ice cream yummys, warm dog walks, BBQ's and toes in the sand.

However, you spend your warm SUMMER days, don't forget to document the memory with photos. And STAY COOL!

Client Testimonial

“Christie took my disorganized portfolio and turned it into the beautiful well-organized representation of my talents that it should be. My clients can easily see the breadth of my abilities and I can add to my portfolio on my own as Christie explained the process and created a user-friendly product for me!”
