Preserve Your Memories, Share Your Legacy

20 years in Business  
2003-2023!**

2023 brings our 20th year in business! We are so blessed for many clients over the years.

THANK YOU!

MONTH

**Save Your Photos Month is in September**

**Save Your Photos Month** started nine years ago in response to catastrophic weather events. Then, we watched Superstorm Sandy devastate much of the East Coast; floods destroyed parts of Calgary, Canada, and the Joplin, MO tornado killed 158 people in a six-mile path of destruction.

And now, to this day, we continue to see more and more catastrophic events like this happening all over the world day after day.

As professional photo organizers, we were heartbroken at the scenes of people searching for their loved ones and their joy at discovering a photo undamaged. So, we asked ourselves, what can we do? A group of photo managers brainstormed and devised the concept of dedicating an entire month to teaching photo preservation.

We'd love to welcome you to this year's Save Your Photos Month, where we'll guide you through organizing your photos and memories.

It's **FREE to sign up**, and you'll get the opportunity to enter to win prizes from our generous sponsors!

This year our themes include:

- **Week 1:** Why Your Legacy Matters
- **Week 2:** Keeping Up with Technology
- **Week 3:** How to Prepare for the Unexpected
- **Week 4:** Using Photos and Videos to Create Joy

Currently, we are in week 2 but that can't stop you from signing up and learning all the tips and tricks that can help you to organize, preserve, prepare, and enjoy your lifetime of photos.
